June 12, 2026

Dear Valued Friend and Sponsor:

Thank you for your consideration to support the Historic Lincoln School Alumni Foundation's (HLSAF) 38th Annual Golf Fundraiser. The Harry A. Penelton Golf Scramble will take place on Saturday, September 12, 2026 at Oak Brook Golf Club, located at 9157 Fruit Rd. in Edwardsville, IL. 62025. Play begins at 8:00 am.

The HLSAF provides annual funding through our grant program, available to District 7 high school graduates. This summer, we are awarding thirty-five (35) $1,000 grants to students continuing their education at institutions of higher learning.

In 2025, through our community outreach program, we assisted at-risk families with gift cards for food, and other needs for their children, during the Thanksgiving and Christmas holidays. We also contributed $50,000 to the Edwardsville Community Unit School District 7 Resource Program, which supports qualifying students that need help improving academic performance.

We need your support to continue the work of our foundation, and to honor the memory and legacy of our beloved past president, Herman Shaw. Through your generous contribution, you can help us make our Golf Fundraiser a wonderfully successful event. There are four sponsorship levels: gold, silver, bronze and hole sponsor. You can also donate auction items, door prizes or promotional products. See the enclosed brochure for additional information. You can give on-line through our website, submit by mail or call us to discuss.

The work of the Historic Lincoln School Alumni Foundation wouldn't be possible without you. Please help us make a difference for our local students. Together, we can continue building a community where our school children feel supported, valued and empowered.

Sincerely,

Dustin Jumper
